

Call for Expressions of Interest

Advanced Care Paramedics – Critical Care Training Program

STARS is pleased to announce that we have been approved by the Alberta College of Paramedics to deliver a **Critical Care Paramedic (CCP) Training Program**.

- We are seeking expressions of interest from Advanced Care Paramedics (ACPs) who are motivated to advance their clinical practice and pursue a career in critical care transport medicine.
- Upon successful completion of the course, participants may apply to the AB College of Paramedics to use the Critical Care Paramedic (CCP) title.

Program Overview:

- **Duration:** 15 weeks
- **Format:** Blended learning approach including:
 - 4 weeks of In-person skills training at the STARS Calgary base
 - 11 weeks of Online coursework

Practicum Requirement

Complete **12 practicum buddy shifts** at a STARS base to consolidate knowledge and practical skills.

This comprehensive program is designed to prepare paramedics for the complex and dynamic environment of critical care transport.

Upcoming Training Intakes (*subject to interest*):

- Fall 2026
- January 2027
- Fall 2027

Training schedules and delivery options will be determined based on the number and geographic location of interested candidates.

How to Express Interest:

Advanced Care Paramedics who are interested in participating in, or learning more about the program are encouraged to contact us via email at: CCPTraining@stars.ca or can apply here: [STARS Critical Care Paramedic Program 2026 - STARS - Career Page](#)
